NOTES: The "my medication" field turns into a text box that users fill in when they click on it.

A wireframe of a web browser interface. At the top, the browser's address bar shows 'URL: mainpage.gov'. Below the address bar, there's a search bar with the text 'Acetaminophen' entered. To the left of the search bar is a dark grey button labeled 'LOGO'. Below the search bar, there's a large white box containing an orange circle with an exclamation mark, the text '80% SAFE', the title 'Acetaminophen', and a large empty box for a detailed drug description. The browser's address bar shows 'URL: mainpage.gov'. The page is overlaid on a blue dot grid.
